(San Francisco Call.) "Yes, we operators sometimes have strange experiences," said the younglooking, white-haired telegrapher, re-plying to an interrogatory of the Call representative. "By all odds the most thrilling incident that ever came within my own experience," he continued, musingly, "occured one night about twelve years ago. I was then a young operator on the Northern Pacific railroad, at a small station in eastern Minnesota ealled Kimberly. I was doing the night work-from 7 P. M. to 7 A. M., and being of a social disposition, used to sleep only when there was nothing of interest going on. Kimberly was quite a resort for pic-nics, being situated on the edge of one of those beautiful lakes for which Minnesota is famed, and on the day referred to I had been out with a party of young folks, and by night was tho-roughly tired out. There was no possible escape from work, though, and I had to report for duty as usual. Well, I struggled along until about 3 o'clock, when I was aroused from a light doze by the ticking of my instrument. I A man living up in Willow-Creek dragged myself over to where it stood canyon was in town last Thursday for and received the following dispatch :

washed away.'
"Bridge No. 6 was several miles tlesnake-, scorpion-, centipede-, or ta west of my station, and spanned a small rantula-bites. He has several times of stream in which logs were floated down from the pineries. I had heard that his work at night and finding the demiday of a big 'jam' near there, and now realized that it had broken and whiskey wasted. Thinking it the reswept the bridge away. The section | sult of accident, he kept sending to town men had reported it to the next station west of me and my order was the re-Still. I was in that somnolent state when nothing seems of immediate ly regretted from the fact that he has importance, and after mechanically lighting my signal-lantern, laid down temperate, hard-working man. Last had risen, neglecting to hang the took a lay-off, and was lying reading in lantern out. I don't know how long lantern out. I don't know how long lantern out. I don't know how long led, when, hearing a noise, he looked around and was astonished to see a conscious that a train was nearing the conscious that a train was nearing the station, at the same time being unable | ages and sizes, coming through a crack to move or awaken myself. I knew under the door. Having a curiosity to that I was asleep, realized the necessity see what they were after he did of stopping the train, and that it would not disturb them, but waited for not stop at Kimberly if no signal was developments. The one appearing to displayed. Yet I was powerless to have command of the foraging-party save them from the inevitable destruc-tion which awaited them if they were which he climbed up the window-casing. warned of the carrying away of and thence to the shelf where the whis the bridge. I shall never forget the agony those thoughts brought me. I john, he signalled to his companions, struggled to break the chains of sleep which held me. The effort was accom- assistance. Gradually crowding thempanied by a most peculiar sensation. 1 | selves between the top of the demijohn can only compare it with the action of a | and the wall, they managed to tip it watch-spring which has been drawn to from the bottom, when it was an easy its utmost tension and then let go. You know how it will buzz for a few moments as it unwinds itself. That is exactly the way my brain whirled as I another to the spilled whiskey, and sank back exhausted after each effort. I felt the train draw nearer and nearer. It was like the approach of fate. If it passed I was a murderer. Again and | hood of 100 horned toads as drunk as again I struggled, with the same result; | drunk could be, and having more fun I could not wake. It must have been than a circus. After laughing himself but a few moments, yet I endured what | well he rose to drive the topers out, and, seemed hours of torture. I think the jar and rumble of the train as it sped by saw another army under the house as must have awakened me. I jumped to my feet, seized the lantern, which was still | house. He says that while he had a burning beside my chair, and dashed out whole lot of amusement, it was at the through the open window. The rear expense of both his pocket and reputacoach was just passing the west end of the platform. I screamed, and in my the demijohn and stopped up the cracks frenzy rushed after the departing train The noise and speed mocked me. Re-collecting myself, I swung my lantern across the track—the usual signal of

"It was six weeks before I recovered from the brain-fever which followed. Fortunately, the train-men were old friends of mine, and the true cause of my illness never reached headquarters. Upon recovery 1 resigned my position at Kimberly and came West, being haunted with such a dread of a repetition of the experience of that night that I dared not resume work in that place. Since then I have had many remarkable experiences, but none which produced upon me. The boys often laugh at my snow-white hair, knowing me to be scarcely above thirty years of age, little imagining what caused it."

UNDER FIFTY FEET OF SNOW.

A Salt Lake (Utah) special of the 19th says: Fred. Cullinan, who was buried leaving a trusted dog behind. When he longer than any of those rescued alive dined he took out his purse to pay, and from the Alta snowslide, was seen by an Associated Press correspondent today. He says Albert Thomas, proprie- evening his servant informed him that the tor of the hotel, was out getting snow to melt for water when he saw the slide coming. Thomas gave the alarm and ran | went at once to his favorite, and as s to a less exposed part of the building, fol- as he entered the room the faithful lowed by others who heard him. Cul- creature ran to him, deposited the gold linan was in the back shed of the hotel. The first he knew of the slide was when he heard it strike Regan's saloon. He The truth was that this gentleman had tried to turn, but hadn't time, before he was caught and covered with boards and timbers. A board was across his neck: one arm was stretched straight est and held fast. He could only move portunity offered to restore it. one hand a little with a miner's eandle-stick which he happened be holding in the hand. With this he cut off the board pressing on his neck, which was almost suffecating him. He found it short, and pushed it away so that he could breathe halloed all the time, and was first heard about 9 o'clock the next morning. took four hours to get him out from under fifty feet of snow. He had the candlestick in his hand when he get out, and was so stiff and bruised that he could not move. He had to be rolled out like a log. For two days he couldn't move in bed. He bad on only a pair of overalls and boots, with a miner's shirt, and had to be hauled down the canon on a sled. He says he felt confident all the time that he would be rescued. He did not feel hurt, and was not carried far, being caught at about the limit of the slide. He could hear them digging above him and was satisfied that they would get to him after a while. Parker Norton organized the digging force, and dug himself longer and harder than anybody. He supplied hot coffee and crackers for all, and when all were got out that could be found went out and broke two miles of road. The party would not have been able to get down the canon that day but for him.

Judge Hughes has set himself up for dictator of Virginia. On the Riddle-berger bill the people of this State are a unit, Judge Hughes being excepted. The Legislature has declared that the debt must be settled under the provisions of this bill, the Governor has approved it by his signature, the peo ple and press endorse it, the State courts sustain it, and yet Judge Hughes sets his face against it and commands the Auditor to receive cou-Hughes sets his face against it and commands the Auditor to receive coupers for all taxes and license due the PATCH PRINTING-HOUSE.

State. He makes himself not only a judge, but also the sole administrator of the finances of the State. But the Judge has met his match. ernor, in direct opposition to the man-damus, orders the Auditor and the Treasurer to receive no coupons except under the provisions of the Riddleber-ger bill. We shall see who will be the victor. Judges Hughes has it in his power to order the arrest of Governor Cameron, which he will probably do. In this event the Governor will be leased under the habeas corpus, and the matter carried to the Court of Appeals

for decision. Were these coupons to be received for taxes they would absorb the entire revenue of the State, leaving nothing whatever with which to carry on the Government. To this we know the people will not submit-unless they deide that a little United States district judge shall set at defiance the will and the acts of both the legislative and executive departments of the State .-Abingdon Standard.

(Rodie (Cal.) Free Press.]

grub, and told the reporter a queer yarn. He prefaced his story by saying west-bound trains. Bridge No. 6 is that he always keeps a supply of whiskey on hand as a remedy in case of ratjohn lying broken on the floor and the for more demijohns so often that his merchant began to suspect him of taking to hard drinking, and this was particularalways been known as a very steady. on the table from which I Wednesday, not feeling very well, he matter to send it crashing to the floor. Then ensued a scene indescribable. The whole mob came tumbling over one eagerly drank what did not run away through the cracks in the floor. In about ten minutes there were in the neighborlooking through the cracks in the floor drunk from the leakings as those in the

Some years ago, writes a correspondent to the Cincinnati Enquirer, I was living in St. Louis. All day long I was danger. There was no one in sight. busy, but in the evening I was my own Just as the train swent around a curve master. Letting down my curtains and a brakeman appeared on the rear platform. A moment later I heard what I poking my fire to a steady blaze one evening, I drew my chair up to a table have always considered the most welnear the wall and began writing. Soon come sound that ever reached my cars-I was surprised to find that my room a shrick from the engine and the rattle of the air-brakes. As I realized that had another occupant, no other than the train was saved a reaction overcame an immense black spider, which adtable. I was quite surprised to find that he showed no fear, but sat looking at me with attention. I puiled a straw from the broom and drew it gently over for ten minutes, when he retired. The next evening he reappeared, to my surprise, and we went through the same antics with the broom-straw, to his evident pleasure. This was kept up all that lonely winter, and the solitude of my evenings was greatly relieved by my big spider friend, who came out regularly every night for a frolic with me and the broom-straw.

Why the Bog Wouldn't Ent. [Chambers's Journal.]

It is related by Professor Bell that when a friend of his was travelling abroad he one morning took out his purse to see if it contained sufficient change for a day's jaunt he proposed found that he had lest a gold coin from it. On returning home in the dog seemed to be very ill, as they could not induce it to eat anything. He coin at his feet, and then devoured the food placed for it with great eagerness dropped the coin in the morning; the dog had picked it up and kept it in its mouth, fearing even to eat lest it should lose its master's property before an op-

Nausea, Foul Breath, Hour Stoin Dizziness, Headaches, Billous Fever, Jidice, Dyspepia, Kidney Diseases, Fibeumatism, Neuralgia, Propsy, and eas Skin Pasorders, are among the sytoms and mailadies caused by deranger of the stomach and bowels.

A THOROUGH PURGATIVE medicine is the first necessity for cure Then the cathartic effect must be main tained, in a mild degree just sufficient to prevent a recurrence of costiveness and at the same time the liver, kidneys, are stornach must be stimulated and strength AYER'S PILLS

accomplish this restorative work better than any other medicine. They are search-ing and thorough, yet mild in their purga-tive setten. They do not gripe the patient, and do not induce a costive reaction, as is the effect of other cathartics. Withat, her possess special properties, diuretic, impatic, and tonic, of the highest medicinal value, and

ABSOLUTELY CURE
all diseases proceeding from disorder of the
digestive and assimilatory organs. The
prompt use of AYER'S PILLS to correct the
inst indications of contiveness averts the
serious ilmesses which neglect of that codition would inevitably induce. All irreguharvies in the action of the bowels—loosness as well as constipation—are beneficially
controlled by AYER'S PILLS, and for the
stimulation of digestive organs weakened
by long-continued dyspepsis one or two-of
AYER'S PILLS daily after dimer will do
more good than anything else.

**EXALDING PHYSICIANS CONCEDE

more good than anything else. LEADING PHYNICIANN CONCEDE that AVER'S PILLS are the best of all cathar-tic medicines, and many practitioners of the highest standing customarily prescribe them.

AYER'S PILLS. Lowell, Mass., (Analytical Chemists. For sale by all druggists.

WHEAT BAKING-POWDER.

PURE AND WHOLESOME It leaves no deleterious substances in the bread, as all pure grape Cream-of-Tartar and Alam-Powders do.

It restores to the flour the highly-imp ant constituents rejected in the bran of the wheat. than any other baking-powder.

HOT SPRINGS AT YOUR DOOR. PHYSICIANS AT HOT SPRINGS USE THEMSELVES AND PRESCRIBE FOR OTHERS BUFFALO LITHIA WATER

GOUT, RHEUMATIC GOUT. RHEUMATISM, STONE IN BLADDER, BRIGHT'S DISEASE OF THE KIDNEYS

DR. ALGERNON'S, GARNETT, geon (retired) United States navy, resi-dent physician, Hot Springs, Ark. "My experience in the use of Buffalo Lithia Water is limited to the treatment of Geut. Rheumatism, and that hybrid disease Rheumatic Gout, 'no called,' which is in contradistinction to the Rheumatoid Arthri-tical Green

contradistinction to the Knewson of Artist of Garred.

"I have had excellent results from this water in these affections, both in my own person and in the treatment of patients for whom I have prescribed it. Of course the remedial agent is its contained Attains and their whom I may be a supported to the contained attains and their whom I may return these. solvent properties.

"Hence, it is a prophylactic as well as a remedy in Nephritic Colic and forming Culculi, when due to a redundancy of Lithic Acid,"

DR. T. B. BUCHANNAN, Resident physician Hot Springs, Ark Send me five cases Buffalo Lithis Water.
Spring No. 2. I have made use of this water.
Spring No. 2. I have made use of this water for Good in my one person and prescribed it for patients similarly suffering with the next devided beneficial results. I take pleasure in advising Goody patients to these Springs."

DR. WILLIAM B. TOWLES Member Medical Society of Virginia, resi-dent physician Hot Springs, Va. dent physician Hol Springs, Va.

"I feel no hesitancy whatever in saying that in Goot, Rheumotic Good, Rheumotism, Mone in the Riedider, and in all discusses of Trie Acid Diatheris. I know of no remedy at all comparable to Buffalo Lithia Water, Spring No. 2. In a single case of Bright's Discusse of the Kidneys I witnessed very marked beneficial vesults from its use, and from its action in this particular case. I should have great confidence in it in this disease."

THE LATE DR. WILLIAM F. CARRING-A former surgeon of the United States, navy, late resident physician Hot Springs,

The Buffalo Lithia Water, Spring No. 2, has signally demonstrated its remedial power in Good, Rheumatism, Uric Acid Gravel, and other maladies dependent upon the Uric Acid Diathesis.

"It not only climinates from the blood the deleterious agent before it erghalities, but dissolves it in the form of Culculi, at least to a size that renders its passage along the ureters and urethra comparatively easy," [fe 21-Sa, W.Su&Tu41]

WORTHY OF CONFIDENCE.

AYFR'S Sarsaparilla is a medicine that, during nearly forty years, in all parts of the world, has proved its efficacy as the best blood afterative known to medical SARSAPARILLA extracted from the root of the genuine Honduras Sarsaparilla.

of the genuine Honduras Sarsapartila) is its base, and its powers are enhanced by the extracts of Yellow Dock and St.-lingm, the foddless of Potassium and Iron and other potent ingredients, your blood vitlated by derangements of the digestive and assimilatory functions? is it fainted by Scrotnia? or does it contain the poison of Mercury or Containations Disease?

fagious Disease?

HE leading physicians of the United States, who know the composition of Ave. is Sates Avantilla. A say that nothing else so good for the purification of the blood is within the range of pharmacy.

(IA by the use of this remedy is it possible for a person who has corrupted blood to affain sound health and prevent transmission of the destructive faint to posterity.
